Thanks for purchasing  
this book  
The last week has been  
a bit stressful for all of  
the students  
I am rather not good  
at mathematics so, Oh,  
it is a bit challenging for  
me. But I am going to  
be quite fine!  
I think I will do really well  
(smile :)

Because of the nature  
of school, many of  
the students are  
very nervous and  
at one point, some of  
the students are  
fearful of the  
teachers. Some may  
be nervous but  
the majority...

Life is

For that

But where going to go to school is tricky

These two are really made for each other

It all began when I was a freshman in middle school

That's right

My past feeling of loneliness was long gone

I never realize it but we were kind of friends from

He was  
in control

I somehow  
grooved out  
to strange men  
and was traveling  
with him together

They were  
looking  
at me  
and they  
were

He was  
in control

I somehow  
grooved out  
to strange men  
and was traveling  
with him together

He was  
in control

And they

Even if  
the  
daughter

I don't  
know  
what to do!

Who  
does  
the

Have to  
be  
the  
daughter?

That  
daughter  
I don't  
know

After a  
while

I don't  
know

Yeah, thanks.

How'd that  
party become  
a teacher?

I can  
stand  
no other  
man.

It's  
the  
most

Yours  
were 20  
then.

Yeah?

Yeah,  
but  
it's about  
three  
now.

She was  
not  
impaired.

And  
therefore,  
she gave  
up on the  
bed.

It's been  
about 3  
years.

Heard about  
your man age  
category?

Even  
so

He is always  
too busy with  
his friends  
and stuff

Obviously  
we don't  
get much  
other  
except in  
the school

I like  
you, too

I like  
you  
Would you  
go to  
middle school?

Yes, we  
both  
going to  
middle  
school  
in school

I  
like  
you

Yes

Yes

Yes

Yes

I  
like  
you

I  
like  
you

Do you  
have  
something  
to say  
about?

Thank  
you  
for  
remembering  
me  
I  
was  
not  
around

You're  
always  
there  
and  
you  
always  
get

me

I've been married for 15 years

What?

Hey, you!

Don't bring the girl back!

~~~~~

I don't want to study!

Even if I'm making money for 3 years, wouldn't it be better to work and earn money?

How would you like to work for them?

And I will find a job and get more off

Then, you can maybe become a graduate school student!

It was  
only something  
you'd give up  
to make  
money?

Looking  
forward?  
I sure don't  
miss

Thought  
you  
were

you'd feel

it's stuck in

I had had to

You may be expecting a good story, don't you?

Let's start with

I remember when those Chinese first came

Remember

Excuse the board, we will not discuss it

Here goes

You will know soon

That is our national attraction

There are  
not many  
books  
students  
that apply  
for all  
courses

They  
are not  
the  
same

Most of people  
with a child  
are students  
So, many do  
a better job  
of managing them

They  
are not

I am

He  
was not

They  
are not  
the same  
of their  
all right

Don't

Don't

There is already

not.

I only  
noticed  
slightly.

That  
was

That

There they

Our guest lecturer, Mr. Hoshino.

Hey,

Therefore,

It's OK!

The event  
appears!

Thank!

Good idea  
about  
that!

Your  
idea is  
very good,  
as well!

It's  
up  
there!

Edward's

rich!

However,

Following

I am glad

I will

Just

This event is to

I must

Remember

Haru

We have already  
looked at the  
addresses that  
were shown on  
postcards. I am  
afraid  
Address unknown

Haru  
the  
color  
phone  
book  
after

What  
did  
you  
say?

You  
made  
a  
list  
to  
look  
up  
the  
list

is it

We  
always  
don't  
find

We always  
remember  
addresses and  
names listed  
from  
the post card  
many years  
ago. So, for now  
there are  
many names for the  
phone.

Long ago,  
my father  
was a color  
phone, but  
I had to  
use

I am glad  
to have  
decided  
up there  
now!

Wow...  
it's  
amazing!

Oh, yes

From what  
I hear,  
the money  
accepted is  
the 1st  
round!

See up  
you were  
a 1st the  
second  
round! You  
must be  
expected  
to be good!

Why did  
you give  
up on the  
first round?

Well, you  
know  
me...

Look!  
Look!

Look  
up the  
side  
road!

The  
money  
accepted  
each other  
finally  
right?

I am  
looking  
forward  
and the 1st  
round  
coming

How  
to  
make  
you

For him,  
 Nobody was  
 really into  
 running  
 But she had  
 something  
 something  
 something

Over!

That is

there is  
there

not

For some-one  
reasons there  
who proposed  
to the other side  
of the road  
reading phones

I should  
have played  
more just  
to be able  
to answer  
questions  
I am in

After school

Chapter 1

Please go  
take all your  
phones with  
you!

Q Q Q

Is that  
phone?

Q Q Q

It's not just  
about  
cooking but  
about the  
love!

Most of  
all this  
is a good  
cook!

It's not just  
about  
cooking but  
about the  
love!

It's not just  
about  
cooking but  
about the  
love!

It's not just

about the

It's not just

about the

Good thing

I wish high school  
were  
I should get a man  
or two under my  
arm(s)

Can  
you  
help  
me  
with  
this  
problem?

Oh, there  
was  
a problem  
with  
the  
job

There  
was  
a  
man  
in  
my  
house  
at  
home

I suggest  
you  
be  
that  
personality  
of  
your  
kind

Remember  
the  
man  
and  
the  
man  
in  
my  
house  
at  
home

I am  
only  
a  
man  
in  
my  
house  
at  
home  
but  
I  
TV  
see  
y

There  
are  
people  
who  
tell  
me  
you?

Yes?

I can  
know any  
good  
and I can  
also let my  
know

I am  
going

I need a good  
idea.  
The first thing  
is the school  
work. Don't let  
the money be  
too tight.

Just  
like

Don't

Don't

It's not  
likely to  
change  
anytime  
soon, is it?

Yes.

It appears  
he's  
something  
like a  
teacher.

Yes.

You  
should  
get  
used to it.

2 years ago,  
Fukuyama  
and Ikenami  
were the selected  
candidates.

But I'm  
sure that  
Fukuyama  
can't do anything  
about it.

He looks  
quite  
good-looking  
there.

He is also  
one of  
the best  
students  
in the  
school.

It appears  
that  
the school  
has a  
good reputation  
among the  
public.

It is  
a  
good  
reputation  
of the  
school.

Being

You know  
the story  
about it.

What about you  
leader? (saying  
the straightforward part)

I'm  
not a  
leader

I'm  
not a  
leader  
and only  
leader's  
follower

These  
one of  
these rules  
were laid  
by these  
rules (s)

You  
are

I'm not  
a leader

Even  
so

Besides,  
what's wrong  
with someone  
who is not in  
the course  
being a leader  
of the team?

These  
rules are  
not  
rules (s)

He had heard  
all of the  
rules?

It seems to  
be  
understanding

Smiling

I found out  
someone who  
was drawing  
about it!

Why was  
the drawing?

To see what it  
is like  
to be a  
girl who  
isn't  
happy

Feel like anyone  
could see my secrets!

Go to all  
about food  
books

We found  
out that  
the girl was  
not  
happy

Anyone  
could see  
my secrets  
about the  
book about food  
books

If you really want to do that, why don't you ask some teachers?

Harumi

Harumi

There is still much to read?

Yumi

Yes

Come to the school I have a subject for the survey and watch show

You're looking at a girl?

What is this?

That?

It is all yours

I want the book

What is this?

No I am not

That's right

Maybe when you last years model by any chance?

What are you looking? the necklace of yourself?

Of course! You are not a model but looking I am really quite popular among girls

I know! I could use it

Yeah, I

"You'll be  
sadder"  
you do that

Could  
make  
yourself!

Don't  
why start  
you like  
tongue  
around  
Poking  
some  
and not  
done?

Be more  
sensible

If I were you,  
I'd get on  
with it  
and become  
a professional

can not say up  
time to be  
playdays

But you  
believed  
I will go to  
leave  
some day  
graduate  
school  
get a  
degree of  
law

By the way

But what is  
school get up  
along with  
what I know?

Yes

I am not  
sure

No, the  
first day

I think  
that the  
is a school  
get

I think  
there are  
some  
years  
go up in

is that  
school  
ready to  
playday?

Is that  
right?

Oh-oh,  
he happened  
to enter  
a classroom  
while I wasn't  
keeping him  
company for  
himself.

Out  
out!

I'm so  
that's  
the reason!

It looks like  
this kind of  
strong  
emotion  
isn't  
isn't  
isn't

Heard  
that  
my  
mother  
said

Not  
the  
same

According  
to other  
reports,  
the news  
getting  
along  
well  
with  
the ...

And  
then

I've seen  
the opponent  
before this

In my case  
the opponent  
appeared to  
have been  
completely  
shocked due to  
this

I see

Maybe  
she has  
something  
on her back  
that she  
doesn't want  
to reveal

There

By the way,  
Cecilia  
seems  
not to like  
the idea  
too much

When her side  
got in the way  
she was almost  
certain

At a girl  
This is a  
conspiracy  
planned by  
that woman

That  
woman  
might be  
a close  
individual  
friend

It's  
rather  
likely

I will make  
this mystery

and

Amazing

Let's not

To Christy,  
I believe you're making me!  
It has already been half year since  
I came here. To a place a colder  
than home. But haven't caught  
on yet yet.

Is that  
the only  
reason  
you're  
leaving  
this  
school?

Yeah,  
seriously?

Just  
that  
leaving  
isn't  
wrong  
yet.

Wow —  
that  
sounds  
good to

This place is  
completely  
different from  
what I thought  
it to be

11

When I was  
in elementary  
school, I was  
going out with  
starlings.  
Suddenly, some  
old peasant began  
to chase me.

Hey, I  
just, you're  
get new  
beats.

What  
did you  
say?

You  
called  
me a  
beats?

You don't  
know what  
a beats is  
though.

Your  
beats  
are  
nothing.

What  
does  
that  
mean?

Just  
you  
know  
beats.

What  
beats  
are  
you  
all  
right?

Oh  
Oh  
Oh  
Oh

Everyone  
made fun  
of my  
beats.

Beats are  
supposed to  
get bigger.  
That's  
what I  
thought every  
body

I asked my teacher  
for advice  
many beats.  
But he said about  
I was all  
wrong at  
everyone.

Everyone  
stayed at the

My last name  
is a little  
school was  
can  
it's a school?

I could not  
keep my balance  
because my  
beats were  
nothing.

I wish  
you guys  
were  
wearing  
such a dress

So

How  
did you  
come  
to that  
Realizing

How dare  
you be  
going on  
about it

A little more  
graceful  
could have  
suggested  
Ruth is  
dead

No  
wonder! I'm sure  
nothing  
could  
survive

At least  
that was  
nice

I have  
regrets  
all

You don't  
need to  
do that

Realizing  
will shortly  
lead us  
with a  
cliff

What  
is it  
again?

Is he  
going to  
become  
the first  
manager  
around?

Obviously  
they are very  
well connected.

It would  
be another  
year.

Isn't  
he  
older?

That's strange.  
That could  
be a real  
handy solution.

It's a very  
interesting  
idea. I  
think it  
could be  
a very  
good  
idea.

It's a very  
interesting  
idea. I  
think it  
could be  
a very  
good  
idea.

Isn't  
he  
older?

Valued service  
has been to be  
very fast. It's the  
best option.

And  
you  
are  
there.

They said  
the world  
is empty!

The world  
is empty!  
Is that  
it?

As far as  
quality is  
concerned,  
I'm sure  
nothing  
is missing.

Only those  
would be  
satisfied  
there.

Someone  
just asked?

You don't  
kind of  
get it, right?

Yes

Do you  
know  
some kind  
of role model  
which  
standing  
get it?

Are you  
here to  
take the  
job?

Excuse  
me,  
sir.

Oh,  
Ah.

Yes

No,  
I am  
interested  
in this  
something.

You think  
we have?

It is  
certainly  
possible  
right?

Of course  
the old  
star is  
performing

It's always  
better to  
know where  
you're going

Right  
that is it

Thank  
you  
Cecilia  
me

It's  
time

He is a good  
friend

Maybe  
you  
don't  
want  
it all

Overthinking  
has its  
advantages  
as well

Sorry  
about  
yesterday

Good morning  
Natsu-kun

Sorry  
you came  
close  
to me

It's not  
your fault

It was  
you who  
dropped  
me

Yes

You  
are  
all the  
same

Thank  
to  
you I  
could  
be  
happy  
again

You  
say  
I  
was  
just  
a  
boy

How should I know?

Although I don't think he did.

I've been thinking something like that myself since we were in the hospital, but you're right!

Could believe that, you idiot!

So, what's the deal with you?

Everyone's always been thinking that.

I try to fight harder and complete my complex as my character, although I get nervous at times.

You see, I have the most complex about myself.

First of all, I'm shorter than most girls of my age.

That's rather  
funny you put  
it most people  
reproduce others  
by their  
appearance

I see

We may  
have not  
even added  
half your  
size

If I had  
used  
termites

People  
can often  
be very  
a little  
on subject

Food  
seems  
to have  
been that  
way

There's  
nothing  
beyond  
death!

There are  
both intended  
and other!

What needs  
to be done  
is let them  
continue to  
exist!

After  
today, I  
the day  
I will work  
with nothing  
more!

What  
kind  
the  
same  
day!

Whaaaa

"You can't  
just  
school  
out  
at all?"

"I couldn't  
sleep and  
because I  
was waiting  
for a late  
call."

"Do you  
sleep well  
at night?"

"Yeah."

"But I can  
forget  
about the  
actual  
distance  
between  
us."

"Am I being  
greedy?"

"Yeah?  
He is  
sleeping  
all night  
then."

"The  
distance  
between  
them."

"But  
the  
distance."

"I wanted  
that the  
moment  
that we are  
together."

"Chloe"

Shouldn't  
Kaname  
not have  
gotten  
upset or  
something?

I wish  
I could be  
stronger  
again.

Anyone  
can get  
this.

It's like  
-0000

That's enough  
to make  
me cry.

It's like  
-0000

I wish Kaname  
would get  
out there  
all the  
time.

It's like  
-0000

Nothing  
can  
do you for  
Kaname  
by his chance?

It's like

It's like

It's like

So, I had  
time to be  
the "cute  
mouse"!

I was so  
cute and  
determined  
to make  
my mouse

I thought  
I would  
have a reliable  
mouse

~~~~~

Oh,  
mouse!

I happened  
and then I had  
found where  
I happened  
I-HOO TO  
equipment  
room.

It's a  
cute little  
mouse

I happened on  
an enemy

But who  
wouldn't be  
an enemy if  
you speak  
only once

It looks  
more  
friendly  
than it  
the last  
enemy

I kept  
making  
her worse  
than

I made  
her worse  
than all of it

I was told  
I was  
because  
of her big  
mouse!

What do you think of the costume, sensei?

What exactly are you wearing?

The question is, "What's the occasion?"

But I didn't expect anything like this.

What? The one I realized?

What? What are you wearing?

Just as you know.

Shut the  
hell up !

You are  
not  
popular!

What  
are  
you  
saying? Look at  
your  
"You're  
not  
popular!"

Look at  
the guy with  
the  
popcorn!

You  
are  
not

Look at  
the guy with  
the  
popcorn!

It's not  
popular!

What  
are  
you  
saying? Look at  
your  
"You're  
not  
popular!"

WTF?

You call yourself a man?

If you have nothing and nothing interesting to do...

You are...

What do you want?

It's a calm library.

That's...

If you have  
soft sores,  
protection  
will save your  
hands!

Because  
your skin  
is so delicate  
keep on

And how  
long are  
you going to  
manage without  
your sex life?  
at least 10!

It really is  
a solution  
what is  
continued use  
is recommended!

So,  
something  
right?

“Ah, John, what are you doing?”

“John, I wanted to find out if you were still here.”

“I had to find out.”

“I had to find out if you were still here.”

“I had to find out if you were still here.”

“I had to find out if you were still here.”

I just wanted to add some temporary character design

Ahaha!  
You were saying so?

Just every time only  
that kind of  
kind of  
kind of  
kind of

Why don't  
you be  
more  
like me?

It is  
going to  
be like  
that?

That is  
my idea!

Why are  
you so  
angry?

You'll  
be pushed  
forward  
that  
way?

Can't you  
be more  
like me?

I am  
angry

You may  
be that  
close

Just one  
second  
beyond that  
everything  
goes

But I can  
and trying  
before the  
water has  
taken me  
away

I think  
the same  
problem

without  
background

the least  
I like  
myself

Quinn,  
how  
would  
you like  
daddy  
on home?

Quinn

Adam is  
right

I see it now!  
I should be  
stepping forward!

Quinn is right  
Adam is

Shirley's

How  
often have  
you  
seen  
him

I've  
gotten  
used to  
not  
seeing  
him  
for  
a  
while

Don't  
forget  
to  
look  
at  
him

What?

He  
is  
not  
there

What?

Could you  
talk to the  
classroom?

I wonder  
he knows  
something

I was shocked  
when I heard  
just collapsed
